

PORSCHE

Additional information for the configuration from 25. August 2017 for Jason Plato

911 Turbo S Exclusive Series

Standard Equipment

Engine

- Turbo charged flat-six engine, 3.8 litre displacement, maximum power 446 kW (607 hp), maximum torque 750 Nm

Engine features

- Aluminium engine block and cylinder heads
- Water cooling with thermal management
- 4-valve per cylinder technology
- Twin turbo chargers with variable turbine geometry (VTG) and intercoolers
- VarioCam Plus camshaft control and valve lift adjustment
- Integrated dry-sump lubrication with demand-controlled oil pump
- Direct fuel injection (DFI)
- Two three-way catalytic converters and on-board diagnosis for monitoring the emission control system
- Expansion manifold system
- Four-tract exhaust system with twin dual-tube tailpipes in stainless steel with black finish

Transmission

- Seven-speed Porsche Doppelkupplung (PDK) including dual-mass flywheel
- All-wheel drive with map-controlled multi-disc clutch, Porsche Traction Management (PTM)
- Porsche Torque Vectoring Plus (PTV Plus) and electronically controlled rear differential lock with fully variable standard torque split
- Auto Start-Stop-Function and coasting

Chassis and wheels

- McPherson spring strut axle at front
- Multi-link suspension at rear including rear axle steering
- Electro-mechanical power steering with variable steering ratio and steering impulse
- Porsche Active Suspension Management (PASM)
- Porsche Stability Management (PSM) including ABS
- 20-inch 911 Turbo S Exclusive Design wheels (with central locking device) painted in black (high-gloss) with design lines in Golden Yellow metallic, tyres 245/35 ZR20 front and 305/30 ZR20 rear, wheel centres with coloured Porsche crest
- Tyre Pressure Monitoring System (TPM)
- Tyre sealing compound and electric compressor
- Porsche Dynamic Chassis Control (PDCC)
- Power steering Plus

Brakes

- Porsche Ceramic Composite Brake (PCCB) with 6-piston aluminium monobloc fixed caliper brakes at front, 4-piston aluminium monobloc fixed caliper brakes at rear, ceramic compound brake discs, 410 mm diameter at front, 390 mm diameter at rear, internally vented and cross drilled.
- Brake calipers painted in black (high-gloss) with "PORSCHE" logo in Golden Yellow metallic
- Brake pad wear indicator
- Electrically operated parking brake

PORSCHE

Body

- 2+2 seater coupe with wide 911 Turbo body and rear engine
- Intelligent lightweight body in aluminium and steel composite
- Porsche Active Aerodynamics (PAA) with automatically extending / retracting front spoiler and wing element
- Front spoiler lip with embossed 'turbo S' logo
- Front apron with side airblades
- Rear side sections with air intake openings for intercoolers
- Rear apron with air outlet ports for intercoolers and integrated tail pipes in black (high-gloss)
- Two twin tail pipes in 911 Turbo design, made from black chrome-plated stainless steel
- AeroKit 911 Turbo including extending rear wing in carbon and side skirts in carbon
- Front air intakes painted in black (high-gloss)
- Headlight cleaning system covers painted
- 'PORSCHE' logo and '911 turbo S' model designation on the rear apron in black (high-gloss)
- Rear side intake grilles in carbon
- Rear apron in carbon
- Luggage compartment lid and roof contours in carbon-fibre reinforced plastic (CFRP), including decorative strips with carbon-weave finish
- "Porsche Exclusive Manufaktur" plaque
- SportDesign exterior mirror upper trims and window triangles in carbon
- Fuel filler cap in aluminium look
- Central air intake of engine cover in carbon including "Exclusive Series" logo

Electrical and Audio / Communication Systems

- Sport Chrono Package
- Power windows with one-touch operation and door seal protection function
- Remote control for central locking system and luggage compartment lid release
- Park Assist front and rear including reversing camera
- Memory function for both exterior mirrors as well as for the steering wheel, seat settings (driver's side) and other individual car adjustments
- Cruise control
- Porsche Communication Management (PCM) incl. navigation module, Bluetooth mobile phone preparation, audio interface, DAB radio and voice control system
- Connect Plus including online navigation, Apple CarPlay®, 4G/LTE telephone module and wireless internet access, as well as Porsche Car Connect including Carfinder, Remote Vehicle Status, Remote Services and Porsche Vehicle Tracking System (PVTs+), (subscription required).
- Integrated 4G/LTE compatible SIM including data for the Porsche Connect Services (Navigation and Infotainment services only, music streaming and WiFi not included). Detailed information on Porsche Connect can be found at www.porsche.com/uk/connect.
- To use music streaming and WiFi, data packages will become available to purchase in the Connect Store. Alternatively a data-enabled SIM card and a separate valid subscription to a mobile network provider (subject to charge) can be used instead of the Integrated SIM.
- BOSE® Surround Sound system incl. 12 loudspeakers, active subwoofer and centre speaker, active sound system with 555 watt overall output and AudioPilot® Noise Compensation Technology

PORSCHE

Lighting and visibility

- LED main headlights incl. Porsche Dynamic Light System Plus (PDLS+) and 4-point daytime driving lights, dynamic headlight levelling, speed sensitive driving light control, dynamic cornering light and headlight cleaning system.
- Dynamic high beam that continuously adjusts the beam length depending on the traffic situation (camera based)
- LED additional lights in the front end with position light, direction indicators and side indicator lights
- Three-dimensional LED tail lights with integrated four-point brake lights
- Driving light assistant including Automatic Coming Home lights
